

Free Legal Help with Social Security Issues During COVID-19 Crisis

South Coastal Counties Legal Services (SCCLS) and the Justice Center of Southeast Massachusetts (JCSEM) continue to provide free civil legal aid to low income families and other vulnerable members of our community. While our physical offices are closed, staff members are working remotely and available to provide free legal services to qualified low-income applicants in our service area.

Timely appeal of disability and overpayment determinations is essential to preserving beneficiary rights. SCCLS and JCSEM continue to accept SSDI/SSI and overpayment cases for advice and representation.

We welcome residents of our service area to contact us for help. Please refer anyone you know who may need our help to our intake line at (800) 244-9023 Monday through Thursday 9AM to 1:30PM or complete an online inquiry via the link at www.SCCLS.org/contact.asp.

If you have questions about our services, please do not hesitate to contact me.
