

SHINE -Serving the Health Insurance Needs of Everyone

These YouTube videos were created to help you and family members navigate the complicated world of health insurance. SHINE counselors are available to assist consumers with Medicare questions and decisions. Counselors are available for appointments by phone and/or via virtual web platforms as needed. Consumers should contact their local senior centers for more information on setting up an appointment.

Call 844-422-6277 if you need to locate a SHINE counselor in your area.
